

Gene Bates is a member of the American Society of Golf Course Architects. In his illustrious career he has designed, consulted or renovated over 150 courses worldwide. He has worked directly with golf architectural legends such as Ron Kirby and Jack Nicklaus as well as PGA Tour greats such as Johnny Miller and Fred Couples. He currently has one of the longest Tour Player partnerships in the industry with his good friend, Fred Couples. Please review our project list below - Courses we are proud to have been on the development team.
